The ENHANCE Buddies

(Last Updated: September 17, 2024)

Are you passionate about studying abroad and eager to help others experience it too? Join the ENHANCE Buddy programme and become a key player in encouraging fellow students to explore study abroad opportunities within the ENHANCE Alliance. This is your chance to make new friends, develop valuable skills, and share your journey to inspire others.

Inspire, Connect, and Grow

Imagine starting your day with a bike ride to a seminar in Milan, discovering the best hangouts for international students in Gothenburg, or finding that perfect café in Warsaw to study for exams. Studying abroad is a unique adventure, and as an ENHANCE Buddy, you'll help others dive into their own unforgettable experiences.

Who can become an ENHANCE Buddy?

We're looking for students who are currently on or have completed an ENHANCE study abroad programme*. Whether you're about to start your study abroad experience or have just returned, you can apply up to three months before or after your mobility. We particularly encourage students from diverse backgrounds and those who received the Erasmus+ Inclusion Top-up.

*Eligible programmes include Erasmus+ Study Semesters, European Education Pathways, and ENHANCE Short-term opportunities like winter or summer schools. If your experience has been limited to online activities, but you're eager to share your insights, get in touch to explore potential opportunities.

Your Role as an ENHANCE Buddy

As an ENHANCE Buddy, you'll:

- Share your study abroad experiences through engaging posts, blogs, and videos on our social media channels, mainly Instagram.
- Stay active on these platforms and take on additional tasks from the ENHANCE Buddies Coordination Team.
- Have the chance to participate in physical events organised by ENHANCE, where you can connect with the international ENHANCE community.

The ENHANCE Buddies programme offers a range of benefits and growth opportunities:

- Receive training in storytelling, social media management, intercultural communication, and presentation skills.
